

Module Exam

„Computational Intelligence“

for students of the programs

(Applied) Informatics
A - H

The written exam takes place ...

When? Tuesday, 04.02.2025, 04:00-05:30 pm

Where? Chemistry / HS2 (Campus North)

The written exam is based on the lecture

“Computational Intelligence“

of Prof. Dr. G. Rudolph.

Please notice:

- **Starting time:** Please be at the foyer of the lecture hall at 03:40 pm.
- **Seating:** Leave every 2nd row empty and use only every 3rd seat in the row.
- **ID with photo** and **proof of matriculation** should be placed in front of you.
- **No auxiliary material** is permitted. Only **indelible pens** (colors: black or blue, no pencils or colored pencils). No ink erasers or the like.
- **Additional empty sheets** are supplied by the supervisors, if necessary. Don't use you own sheets of paper.
- **Bags/knapsacks** must be left out of the lecture hall or can be placed next to the black boards. You may have some food and drinks at your place.
- **Mobile phones** must be switched off after ID control (to avoid the risk of nuisance and attempts of deception)! Of course: no tablets, google watches or glasses etc.
